**Attachments:** R10 ORA Briefing Paper LUB GWMA 03172020.docx

Dan,

Attached is my mark-up of Tony's briefing for the RA. He sent a draft yesterday, and solicited input. All the mark-ups should be visible. I offered in our discussions that I thought that in an executive briefing we ought to be unambiguous about the outcome we're pursuing.

Also, worth noting: The only thing Tony had in the communications plan was that Eric was going to the GWMA meeting in April.

Mat
